USPO Utah Contract Training FY 2021 10:00 a.m. - 12:00

Hosted by HUGH WATT

9:30 AM - 12:30 PM | Thursday, Jul 9 2020 | (UTC-06:00) Mountain Time (US & Canada)

The screenshot shows the Webex join meeting interface. It includes two input fields for 'Your Name' and 'Your_Email@address.com', a green 'Join Meeting' button with a dropdown arrow, and a dropdown menu with three options: 'Always choose best option for me', 'Always join from desktop app', and 'Always join from web app'. Annotations with orange boxes and arrows provide instructions: 'Click the drop-down arrow after entering in your name and email address' points to the dropdown arrow on the 'Join Meeting' button; 'Select Always join from web app' points to the 'Always join from web app' option in the dropdown menu; and 'After selecting Always join from web app Select Join Meeting' points to the 'Join Meeting' button in a second instance of the form below.

If not changed to “always join from web app” before hitting Join Meeting – Select “Run a temporary application”

Then select run to run the temporary application

Once the application is running and if you’ve already called into the conference line – Select “Don’t Connect Audio” then Join meeting

If not already called in Select Call me at and “enter your telephone number”

Once telephone number is entered select Join Meeting

It will now call the telephone number entered.

If it prompts for an Access Code, enter the one provided at the top of the page.

If you receive “please enter the security code. To bypass the security code press *”

Press * to bypass the security code.
